Alaska Freedom Band heads to Mountain Village in the C-182

Mothers Day Worship Service in Chalkyitsik

Mothers Day @ Chalkyitsik

June Update
By Danny Davidson

CPA had a very busy April and May. Scott and Connie Kirby and Danny and Matilda Davidson attended Family Camp at Tanalion Bible Camp the 17th, 18th and 19th at Port Alsworth. Great meetings lead by the Alaska Freedom Band and Al Whittinghill. Great time of fellowship with other mission organizations and others from throughout the state.

The Alaska Freedom Band went to Mountain Village the 25th 26th and 27th of April in the CPA C-182. Upon arrival they discovered the KAKO Retreat airplane that was to transport folks from surrounding villages was broken. Steve Willis was the alternate taxi driver in the C-182.

May 8th, 9th and 10th the Alaska Freedom Band and were invited to Chalkyitsik. The decision to stay or go was dictated by massive flooding in the area. On the 7th of May we decided to go. The

Alaska Food Bank has donated Pizza's to deliver to villages throughout Alaska. So we filled the remaining voids in the plane with about 100 pizza's, plus all the food we bought for the trip. We arrived in Chalkyitsik on the 8th of May with an uneventful flight with 100 Pizza's and 4 dozen roses for the mothers there on Mothers Day!!

After Mothers Day service and being stuffed with more great food, (not Pizza's) we depart for Venatie to deliver another 3 dozen roses to Margo Simple for the mothers there. The new Chief of Venatie gave all of us a ride to town, to the "mission house" where Margo and Carmen, the school teacher, were helping children with Mothers Day gift making.. Hugs and smiles, we had not seen each other for a year and a half.

May 16th the copper Valley Chapter hosted our annual meeting. A first class pancake Breakfast Four planes from the from Anchorage accepted the invitation. Five planes left anchorage but one turned back for a mechanical. One of the planes that arrived was piloted by student pilot, Scott Kirby. Great time of fellowship with our new chapter / members. Election of officers is done at the Annual Meeting. Nominations were: Danny Davidson for president, Jerry Casey, Shannon Garris and Scott Kirby for vice-president, Bill Schwaab

for secretary and Wes Price for Treasurer. We fellowshiped till well after noon , and the Copper Valley crew would not let us help clean up. My wife and I had our camping gear on board and continued on up the Chitna river to Ul-tima-thule Lodge to visit old friends, the Clauses. We spent the night at the lodge. Sunday we head back, stopping at the Copper Center Church. The Alaska Freedom Band was doing the service there.

Mike Law continues to hold services in Skwentna.

Scott Kirby gets his pilots license. Wes Price accompanied him to Tyonek for his first gravel landing. Since then he has visited Port Alsworth, Pedro Bay, Iliamna and

transported Pastor Davis Hobson to Nondalton.

CPA was able to assist ChangePoint Church in flying 15 “young knights”, 11 and 12 year old boys to Bold strip at the head of Eklutna lake. The Knights Program is to teach / train young men to be Biblical men.

Upcoming flights are a flight request to McGrath from Interact Ministries the 18th and return on the 25th. A flight request from Tim Turner to transport camp personnel to Kokrine Hills Bible Camp on July 3. Gary Brumbelow, with Interact has requested a flight for four to Gulkana on the evening of August 3 and return to Anchorage.

Picture above is Annual meeting / breakfast in Gulkana

A big thank you to Bob Halverson who provides his hangar for our maintenance needs

Please continue to pray for Christian Pilots
